

Merton Home Tutoring Service

MHTS have produced a set of useful readers about practical details on living in Britain today. The readers are aimed at adults living in Britain who have basic English, level 1.

All the readers contain an explanation of how the system works, with questions and exercises to make sure the text is understood. There is a word list for learning new words at the end of each book.

The topics are:

Health Visitor What to expect from the Health Visitor when you bring your baby home from hospital.

Accident and Emergency How to access the appropriate level of health care.

People at the Door Who to expect and how to respond when the doorbell rings.

State Education System (England and Wales) An explanation of when children start school and what they learn at Primary and Secondary school.

Rubbish Collection What to do and what not to do: putting out the bins, recycling and getting rid of large items.

Education for Adults Options for adults: ESOL and vocational courses, further education colleges and tutoring.

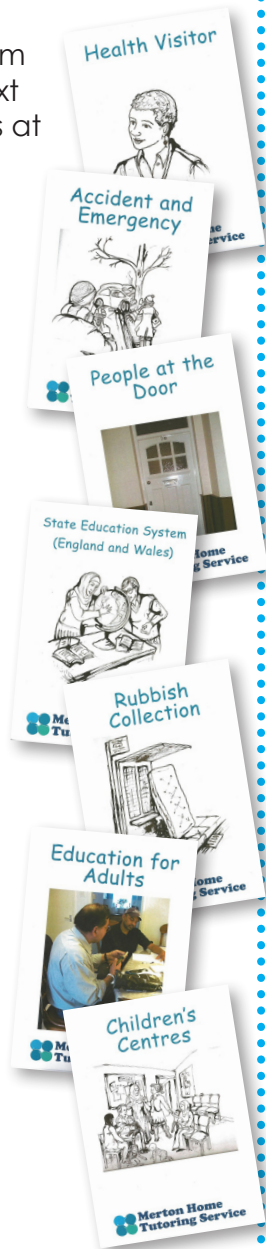

Children's Centres Who can use Children's Centres and what to expect when you get there.

MHTS is also selling **The General Election** which explains the election and process and what you should do to take part.

To order, simply fill in the form overleaf or email pam.treanor@mertonhometutoring.org
